

# P320™

MEETING THE DEMANDS OF TODAY'S  
ARMED PROFESSIONALS

**SIGSAUER®**  
when it counts®

# P320™

SAFE, RELIABLE, ACCURATE, AND MORE ERGONOMIC AND ADAPTABLE THAN ANY OTHER PISTOL IN ITS CLASS.

**SIGSAUER**  
when it counts®

Unlike any other pistol in its class, the P320 features a unique 5-point safety system, standard on all models:

- Striker Safety
- Disconnect Safety
- 3-point Take Down Safety System
  - Takedown is prohibited without removal of magazine
  - System prohibits takedown without slide locked to the rear
  - Rotation of takedown lever allows disassembly without tools or trigger manipulation.

Four additional optional safeties round out the P320 safety system:

- Tabbed Safety Trigger
- Frame-mounted ambidextrous Manual Safety
- Loaded Chamber Indicator
- Magazine Disconnect Safety

The unique modular design of the P320 offers the user the ultimate in flexibility to change calibers, sizes, and fit. Small, medium, and large complete polymer grip modules ensure comfortable and optimal fit for the widest range of hand sizes.

## FEATURES

- Quick and safe take-down with no tools or trigger manipulation required
- Available in 9mm, .357SIG, .40S&W
- 3 grip sizes – Small, Medium, Large
